

## **IMPORTANT INFORMATION – EVENTS SEEDING**

### **Singles Events**

The seeding will be based on ITTF U18 November Singles WR.

According to point 8.7 of the 2019 ITTF World Ranking Regulation regarding special Seeding for different age group players, a player may get a special seeding position if she/he fulfils the following:

*8.7.2. Junior aged player who does not have 4 events in the junior ranking and the player is ranked in top 30 on U21 or top 100 on senior ranking.*

The ITTF World Ranking Group will apply the special seeding if a player fulfils the above requirements, based on the ITTF November 2019 World Rankings.

The special seeding position is determined on the special seeding points calculated as follows:

<b>Number of U18 WR* Events</b>	<b>Special Seeding points</b>
0	75% of the sum of the best 5 of Senior/U21 WR* Events
1	U18 WR points + 75% of the sum of the best 4 Senior/U21 WR* Events
2	U18 WR points + 75% of the sum of the best 3 Senior/U21 WR* Events
3	U18 WR points + 75% of the sum of the best 2 Senior/U21 WR* Events

### **Team Events**

The seeding will be determined by the addition of the points of the 3 best players of each team based on ITTF U18 November Singles WR. If a player has a special seeding in Singles, the special seeding points are considered in the Team Events seeding.

### **Doubles Events**

The seeding will be determined by the addition of the points of both players based on ITTF U18 November Singles WR. If a player has a special seeding in Singles, the special seeding points are considered in the Doubles Events seeding.
