## 3. WORLD CUP PLAYING SYSTEM

- 3.1. Seeding shall be done according to the latest available World Ranking (**Week 15 – 8<sup>th</sup> Apr 2025**)
- 3.2. The tournament shall consist of 2 stages.
- 3.3. In Stage 1 the players will be divided into 16 groups of 3 players, with all members of a group playing each other (round robin).
- 3.4. For Stage 1, the highest-ranked player will be placed in Group 1, the 2nd highest in Group 2, the 3rd highest in Group 3 and the 4th highest in Group 4; the remaining players will be drawn into the other groups using a modified snake system 4 at a time in ranking order.

To ensure that the final round matches are significant for each competing player, the order of play in group matches will be – round one 2 vs 3; round two 1 vs loser of match 1, round three 1 vs winner of match 1.

- 3.5. Players from the same Association will be drawn into separate groups.
- 3.6. The first-place finishers of each group shall qualify for the Stage 2 of the competition.
- 3.7. Stage 2 of the competition shall consist of a knockout draw.
- 3.8. The draw for players will be as follows:
  - First-place finisher of Group 1 will be placed in position 1;
  - First-place finisher of Group 2 will be placed in position 16;
  - First-place finishers of Groups 3 and 4 will be drawn into positions 8 and 9.
  - First-place finishers of Groups 5 to 16 will be drawn randomly into the remaining positions.
- 3.9. There shall be no separation by Association in Stage 2.
- 3.10. Matches of Stage 1 shall be 4 games (result 4-0,3-1 or 2-2).
- 3.11. Final ranking will be determined in terms of Regulation 3.7.5, excluding match points, and based solely on the ratios of wins to losses first in games and then points, as far as is necessary to resolve the order.
- 3.12. Matches of Stage 2 shall be the best of seven games (7).
- 3.13. The tournament shall be played in accordance with the Laws of Table Tennis and the Regulations for International Competition.
